1 insurance under this section is responsible for paying both the
2 employer and the employee share of the cost of the coverage.

3 (f) The group health insurance program required under subsections
4 (b) through (e) must be equal to that offered active employees. The
5 retired employee may participate in the group health insurance program
6 if the retired employee pays an amount equal to the:

7 **(1) employer's and the employee's premium, if the retired**
8 **employee retired before July 1, 2003; and**

9 **(2) employee's premium, if the retired employee retires after**
10 **June 30, 2003;**

11 for the group health insurance for an active employee and if the retired
12 employee within ninety (90) days after the employee's retirement date
13 files a written request for insurance coverage with the employer.
14 However, the employer may elect to pay any part of the retired
15 employee's premium with respect to insurance coverage under this
16 chapter.

17 (g) Except as provided in subsection (j), a retired employee's
18 eligibility to continue insurance under this section ends when the
19 employee becomes eligible for Medicare coverage as prescribed by 42
20 U.S.C. 1395 et seq., or when the employer terminates the health
21 insurance program. A retired employee who is eligible for insurance
22 coverage under this section may elect to have the employee's spouse
23 covered under the health insurance program at the time the employee
24 retires. If a retired employee's spouse pays the amount the retired
25 employee would have been required to pay for coverage selected by the
26 spouse, the spouse's subsequent eligibility to continue insurance under
27 this section is not affected by the death of the retired employee. The
28 surviving spouse's eligibility ends on the earliest of the following:

29 (1) When the spouse becomes eligible for Medicare coverage as
30 prescribed by 42 U.S.C. 1395 et seq.

31 (2) When the employer terminates the health insurance program.

32 (3) Two (2) years after the date of the employee's death.

33 (4) The date of the spouse's remarriage.

34 (h) This subsection does not apply to an employee who is entitled
35 to group insurance coverage under IC 20-6.1-6-1(c). An employee who
36 is on leave without pay is entitled to participate for ninety (90) days in
37 any health insurance program maintained by the employer for active
38 employees if the employee pays an amount equal to the total of the
39 employer's and the employee's premiums for the insurance.

40 (i) An employer may provide group health insurance for retired
41 employees or their spouses not covered by this section and may provide
42 group health insurance that contains provisions more favorable to

retired employees and their spouses than required by this section. A public employer may provide group health insurance to an employee who is on leave without pay for a longer period than required by subsection (h).

(j) An employer **under this chapter:**

(1) may elect to permit former employees who retire before July 1, 2003; and

(2) shall elect to permit former employees who retire after June 30, 2003;

and their spouses, including surviving spouses, to ~~continue to~~ participate in a group health insurance program under this chapter after the former employee (who is otherwise qualified under this chapter to participate in a group insurance program) or spouse has become eligible for Medicare coverage as prescribed by 42 ~~U.S.C.A.~~ **U.S.C.** 1395 et seq. An employer who makes an election under this section may require a person who ~~continues~~ **participates in** coverage under this subsection to participate in a retiree health benefit plan developed under section 8.3 of this chapter.
